RECOMMENDATIONS

CONSULT with the attendant at the transfer station,
before dropping off materials.

DO NOT place household garbage curbside until
the morning of pick-up, before 7:00 a.m.

**USE a suitable container with lid for household garbage,
with a clear plastic bag liner.**

A container is to weigh no more than 40 pounds.
Items for pick-up are to be placed curbside at the resident's property only.

FAILURE TO COMPLY WILL RESULT IN A PENALTY

PLEASE DO YOUR PART: KEEP OUR TOWN & VILLAGE CLEAN.
RECYCLING AND GARBAGE REGULATION
*******USE CLEAR PLASTIC BAGS*******

GLASS: Rinse your GLASS food and beverage containers. Remove the caps and neck rings. You do not have to remove labels. **Do not** include glass items with metal such as light bulbs or other non-glass material.

PLASTIC: Remove the caps and neck rings from PLASTIC food, beverage, and household containers. Rinse. Flatten if you wish. You **do not** have to remove labels. **Do not** include plastic items such as plastic caps, styrofoam containers, oil containers, plastic bags, six-pack holders, medicine bottles. Containers with #1 or #2 on the bottom are recyclable.

METAL: Rinse out your METAL food and beverage containers. You **do not** have to remove labels & flatten them. **Do not** include other metal materials such as bottle caps, oil paint, pesticide or aerosol cans, or hangers.

PAPER: Slide your NEWSPAPER and inserts into a paper bag. You may tie in bundles with string only. Keep clean and dry. **Do not** intersperse magazines, junk mail, glossy print, etc. These are garbage. Magazine and books can be bundled separately, or placed in garbage.

CARDBOARD: Flatten your CORRUGATED CARDBOARD, and tie it up. Keep it clean and dry. **Do not** include other types of cardboard such as pizza boxes, cereal boxes, milk and egg cartons, etc.

HOUSEHOLD GARBAGE must be in **clear bags** – to make it possible to inspect for materials that should be recycled. **NON-RECYCLABLES:** To be discarded with household garbage.

“IF IT’S NOT RECYCLABLE, IT’S GARBAGE”

The transfer station has areas for **Construction Material (C&D)**. This will not get picked up.

GREEN WASTE: Grass clippings and leaves may be dropped **separately** at the composte area in back of the Town Municipal Center.....NO BAGS PLEASE.

BRUSH: In light of DEC’s recent burn ban going into effect...

Municipal burning of brush is no longer permitted. Homeowners will be responsible for the chipping/removal or private burning of limbs and such. The wisdom of this policy has been questioned from a safety and air quality standpoint by our town and county boards. Once again... you are urged to express your thoughts to your state elected officials and DEC.

MAJOR APPLIANCES, LARGE HOUSEHOLD FURNISHINGS, TIRES & SCRAP METAL: Can be brought to designated area at the transfer station, or be picked-up curbside on certain designated “CLEAN-UP DAYS”. Dismantle appliance, so it will not be a public hazard. Sort wood and metal. Nothing over 4’ long will be picked up. All rims off tires.

HOUSEHOLD HAZARDOUS WASTE: Batteries (including automobile), oil-based paint cans, pesticides, petroleum products, etc., shall be placed in a **separate** suitable container, and can be picked up on “CLEAN-UP DAYS” or brought to a designated area at the transfer station.

TOWN DUMPSTER: Our town residents are urged to utilize the dumpster at the Municipal Center...if they are leaving town, missing garbage collections.

Let’s work to keep our Town & Village Roadways Clean!!
